LIMITED WARRANTY

This limited warranty is extended only to the original purchaser, and not to anyone who may purchase your vehicle from you during the term of your warranty. This warranty is honored at Adams Autoworx Inc and other participating facilities across the United States.

How to Obtain this Warranty.

You MUST keep a copy of the original repair invoice and present it when seeking service under this warranty. If warranty work is performed, you must temporarily surrender possession of the original repair invoice, or a legible copy of the same.

If you are less than 25 miles away from the original repair facility, you MUST return your vehicle to Adams Autoworx Inc for any warranty repairs. **If you are more than 25 miles from Adams Autoworx Inc**, then you must call the program administrator prior to any warranty repair work being performed, at **877-252-4609**, from 6AM to 9PM, Monday through Friday (Mountain Time), Saturday from 7AM to 4PM, excluding holidays. The administrator will provide to you the nearest participating facility. If there are no participating locations in your area, you may take your vehicle to a non-participating facility in your area. If the non-participating facility will not accept payment from the warranty administrator, you must pay for the warranted service and submit your original repair invoice (or legible copy) and subsequent warranty repair (or legible copy) to the administrator for review, within 90 days of the date of repair. If your vehicle is inoperable, and you are more than 25 miles from Adams Autoworx, you may be eligible for certain towing benefits, to a maximum of \$75. You may also be eligible for rental car benefits if your vehicle cannot be repaired the same day due to circumstances beyond your control. The maximum benefit would be for 2 days at a maximum of \$40 per day, as determined by the warranty administrator.

Who Makes this Warranty

The independent repair facility warrants that the above repairs and services performed at their location will be free from defects in materials for 36 months or 36,000 miles of use, whichever comes first, measured from the date of the first repair and the odometer reading shown on the original repair invoice. Warranty repair costs shall in no case exceed the costs of the original repair or service. If there is a defect in either the materials within the warranty period, the independent repair facility has the option to perform remedial service work at no charge to you, replace the defective warranted part(s) without charge to you, or refund the entire charge for the warranted repairs, minus any previous refunds. The warranty period will be extended for the number of whole days that the vehicle has been out of the buyer's hands for warranty repairs. If a defect exists within the warranty period, the warranty will not expire until the defect is fixed. The warranty period will also be extended if the warranty repairs have not been performed due to the delays caused by circumstances beyond the control of the buyer, or if the warranty repairs did not remedy the defect, and the buyer notifies the warranty administrator of the failure of the repairs within 60 days after they were completed. If, after a reasonable number of attempts, the defect has not been fixed, the buyer may return his/her vehicle for a replacement of parts, if applicable, or a refund, in either case, subject to a deduction of a reasonable charge for usage. This time extension does not affect the protections or remedies the buyer has under any law.

What is NOT covered:

The facilities employees and/or agents do not have the authority to modify the terms of this warranty, nor make any promises in addition to those contained within this warranty. THIS WARRANTY DOES NOT IN ANY WAY INCLUDE INCIDENTAL OR CONSEQUENTIAL DAMAGES (additional expenses which you may incur as the result of faulty repair or service). Some states do not allow the exclusion of incidental or consequential damage, so the above limitations or exclusion may not apply to you.
